Pershing 90 XAMAN (ex SHALIMAR II) is a super yacht unlike any other. The fast and furious XAMAN can fly across the water at a whopping 42 knots and can hop from island to island in the twinkling of an eye. The crew, coming from SHALIMAR II, knows the islands of Ibiza and Formentera so well that they can show you places that nobody knows and also book tables in restaurants and clubs with impossible waiting lists.

She's moored in Marina Ibiza's VIP area, which is a stone's throw from prestigious boutiques and Lío, one of Ibiza's hottest restaurants.

XAMAN underwent an extensive refit in 2018 and is currently undergoing an impressive new refit for the 2025 season. So far, all appliances have been upgraded, a powerful new audiovisual system has been installed, and all towels, bed linens, and upholstery have been refreshed. Plus, new water toys have been added to enhance the onboard fun.

The yacht's been fitted with brand new Seakeeper Stabilizers.
