

PERSHING 80 WAHOO

PERSHING 80

Overview

The Pershing 80 is an Italian design masterpiece, seamlessly blending elegance, performance, and luxury in an extraordinary vessel. Beauty and speed are its defining attributes. With distinctive lines, ample sunbathing areas, and spacious interiors, WAHOO stands as an exceptionally well-balanced yacht.

Inside, WAHOO can accommodate up to nine guests in four cabins. The master cabin is particularly spacious, equipped with a king-size bed and an en-suite bathroom. The VIP cabin, located at the bow, also features a king-size bed and an en-suite bathroom, ensuring a comfortable stay. The remaining two cabins, located on the starboard and port sides, each feature two single twin beds and one has an extra pullman bed, providing comfort and privacy for all guests. The interior design showcases a contemporary style with high-quality materials, creating a cozy and sophisticated atmosphere on board.

The main salon of the Pershing 80 is an elegant and adaptable space crafted for both entertainment and relaxation. There's a cozy sofa area ideal for unwinding and socialising. The access door to the stern is entirely glass, sliding open fully and neatly tucking away, creating a smooth transition between indoor and outdoor areas. This design seamlessly links the salon with the aft table, ideal for outdoor meals, opening up a spacious, interconnected area.

The exterior of the Pershing 80 is designed to maximise comfort and outdoor enjoyment. Toward the bow, there's a spacious sunbathing area, perfect for soaking up the sun, accompanied by a U-shaped sofa and table setup, a great spot to unwind and take in the views. A bimini canopy provides shade when needed. Moving towards the stern, you'll find a comfortable dining table and a large sunbathing area, inviting relaxation under the sun.
