CNM 43

REDEFINING LUXURY

Since its introduction, the **CNM 43 Tender** has become a symbol of refined Italian craftsmanship and performance on the water. A true expression of luxury and power, it redefines the tender experience with its sleek design, premium materials, and exceptional attention to detail.

With its spacious open layout and elegant profile, the **CNM 43 Tender** is designed for effortless day cruising and high-speed coastal exploration. Its deep-V hull ensures outstanding seakeeping, while powerful engines deliver exhilarating performance and agile handling, even in demanding sea conditions.

Whether used as a luxurious chase boat or a stylish standalone cruiser, the **CNM 43 Tender** strikes a perfect balance between sportiness and comfort. Generous lounging areas, refined finishes, and smart deck solutions make it ideal for entertaining guests or enjoying quiet moments on the water.

Every **CNM 43 Tender** is a bespoke creation, offering a high degree of customization to reflect each owner's personal vision—making it not just a boat, but a statement of lifestyle and identity.
